

## CERTIFICATE OF SACRED SPACE

This certificate is awarded to

*BarCodes Orlando*

by the members of The Orlando Sisters of Perpetual Indulgence, in recognition of serving our community as a place of joy and frivolity. Within the walls of this small bar, our community (especially its handsome, blue collar men), have been met with a place to unwind, relax, have a beer, and - most importantly - be themselves.

Even more notably, the profound generosity of its owners and staff have continually helped many civic causes and charitable organizations in here the Central Florida community!

WE HEREBY BLESS THIS GROUND  
AND DESIGNATE IT  
SACRED SPACE!
